Project Management Inventory

1 - Strongly Disagree | 2 - Disagree | 3 - Agree and Disagree | 4 - Agree | 5 - Strongly Agree

For each of the following statements, assign one of the numbers below:

1C.	Family, friends, and peers would describe me as a good communicator.	 11R. I have the confidence that I am in control of my life and future direction.	
2H.	I have developed strategies for working through conflicts with others.	 12S. When starting something new, I plan before I act.	
3R.	When I start a new project, I have the confidence I will complete it on time.	 13C. I stay in regular contact with the people in my life who are important to me.	
4S.	Projects that I have influence over don't balloon in size over time.	 14H. Family, friends, and/or peers have told me that I inspire them or that I am a role model.	
5C.	When someone introduces themselves to me, I immediately remember their name.	 15R. When I start a new project, I carefully consider what could go wrong.	
6H.	Family, friends, and peers would describe me as someone who is friendly and collegial.	 16S. I am comfortable telling a peer that his/her new idea lies outside the agreed upon plans for a project.	
7R.	I don't worry about school when I am not at school.	 17C. I am comfortable speaking to medium or large sized groups in public.	
8S.	If asked to summarize a project I am working on, I can do so clearly and in just a few sentences.	 18H. When working in groups, peers would describe me as a reliable team member.	
9C.	When someone else is talking, I listen intently in order to understand the full meaning of what they are saying.	 19R. Others would describe me as an effective problem solver.	
10H	. I try to put myself in other people's	20S. For the projects I am currently working	

Total your responses for each of the C, H, R, and S questions. Scores will range between 5 and 25:

on, I know exactly what I need to

accomplish.

shoes, seeing the world from their

perspective.

Key:

C: Communications Management (e.g., keeping everyone informed about a project's progress)

H: Human Resources Management (e.g., leading and/or working with a project team)

R: Risk Management (e.g., planning for and managing the risks to a project)

S: Scope Management (e.g., delineating the specific requirements for a project)

Personal	Goal	Setting:	

Background: This project management inventory was developed by David Hutchison, PhD, PMP for EduProject.org. The inventory is intended to be used as an entry point for further discussions in project management workshops. It is not intended to be used as a scientific instrument. The project management knowledge areas are referenced with the permission of the Project Management Institute. | Last Update: 2017-03-05 | Contact: dhutchison@brocku.ca
